

# 4 things that keep WATER OUT OF YOUR EARS!!

Effective, but  
makes  
swimming  
difficult.

Undesired side  
effects include  
"spearmint ear."

Floats well like  
Westone swim  
plugs, but  
seriously  
limited in color  
choices and  
comfort.

The ultimate in  
custom fit,  
effectiveness and  
fun... by Westone,  
of course.

## AQUANOT™ & Swyrl™

There's really only one choice for serious water lovers... AquaNot and Swyrl custom swim plugs by Westone. Infinite color combinations, the finest American-made silicone, and Westone's legendary custom fit perfected over four decades.

Satisfaction guaranteed, too. Which is more than we can say for the other choices above!
